Job Posting: Share & Be Aware Ambassador

Share & Be Aware Ambassadors deliver bike/walk safety education in multi-county regions through classes and outreach events to make walking and biking even safer by educating all road users. Up to 9 openings exist across the state including all major cities and rural areas. Regions will be determined based on the locations of the most qualified applicants. Candidates in the Fox Valley, NW WI and Suburban Milwaukee are especially needed.

The ideal candidate must be a self-starter who enjoys people, walking, biking, working independently, and delivering safety education.

Details

- $12.50-$14.50/hour, part-time, Limited Term Employment
- 10-20 hours per week, May through October with a mandatory paid training in April, Exact start dates are flexible
- **Ambassadors must set their own schedule** and are expected to work at least 5 weekend days per month and travel
- 50 cent Midseason raises for high performers

Responsibilities

- Schedule and teach bike/walk safety classes, give presentations at businesses and organizations
- Schedule, travel to, and attend events in the region to do safety education outreach
- Develop partnerships and opportunities to meet Share & Be Aware safety goals
- Author occasional blog posts to support program goals and share your work in the community

Requirements

- Provide own computer and internet access
- Outgoing, people person
- Self starter who can work remotely and responsibly
- Passion for walking and bicycling with ability to travel across multiple counties (car not required but helpful, all mileage is reimbursed)
- Ability to learn and follow all bicycling and walking laws
- Excellent speaking, writing, and presentation skills

Perks

- Ability to improve safety in your community and make a difference
- Ability to explore your region
- Ability to get paid to walk and bike to work (when events are local)
- Being part of team that cares about walking and biking and working for the country’s largest statewide bicycle advocacy organization
